INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Coming Clean, Inc.
Brattleboro, Vermont

Opinion

We have audited the accompanying financial statements of Coming Clean, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities, functional expenses and cash flows for the years ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material aspects, the financial position of Coming Clean, Inc. as of December 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coming Clean, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coming Clean, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually, or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coming Clean, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coming Clean, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Cash held for restricted purposes	695,250	773,896
	$ 2,843,944	$ 3,124,925

The accompanying notes are an integral part of the financial statements.

Note 1 – Organization and Nature of Activities

Coming Clean, Inc. is a non-profit, tax-exempt corporation organized in the State of Vermont.

Coming Cleans' mission is to meaningfully contribute to environmental health by reforming the industrial chemical and fossil fuel industries, so they are no longer a source of harm and to secure systemic changes that allow a safe chemical and clean energy economy to flourish.

Coming Clean is networked with grassroots groups in disproportionately-impacted communities in politically significant states and works in close strategic partnership with the Environmental Justice Health Alliance for Chemical Policy Reform. Through our special structure of some 150 diverse organizations and over 400 experts, Coming Clean is able to connect grassroots organizations to national groups, business and shareholder associations, state policy groups, market campaigners, technical experts, and others, while still ensuring leadership by, direction from, and accountability to the grassroots. Coming Clean coordinates a broad range of initiatives and teams in support of safe fields and food, safe products and stores, safe chemicals and facilities, and building power.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation:
Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards Codification Topic of Financial Statements of Not-for-Profit Organizations. This standard requires the Organization present on the Statements of Financial Position net assets with donor restrictions and net assets without donor restrictions. On the Statements of Activities, the Organization is required to present the change in each of the two net asset classes as well as the currently required amount of the change in total assets.

Net assets, revenues, gains and losses are classified based on the existence of or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes in net assets are classified and reported as follows:

Net Assets Without Donor Restrictions:
Net assets available for use in general operations and not subject to donor or certain grantor restrictions.

Net Assets With Donor Restrictions:
Net assets subject to donor or certain grantor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resources were restricted has been fulfilled, or both. Certain restrictions may need to be maintained in perpetuity.

Note 2 – Summary of Significant Accounting Policies (Continued)

Cash and Cash Equivalents:
For the purposes of the statement of cash flows, the Organization considers cash on hand and demand deposit accounts to be cash equivalents.

Contributions and Grants Receivable:
Contributions receivable are recorded at the amount the Organization has an unconditional right to receive and are subsequently adjusted to their net realizable value through an allowance for doubtful accounts, if deemed necessary by management. The allowance would be estimated based on the specific identification method. Finance charges are not assessed. At such time as management feels that a receivable is no longer collectable, a charge is made to the allowance account. No allowance was deemed necessary at December 31, 2025 and 2024.

Leasehold Improvements, Equipment and Furniture:
Equipment acquisitions and substantial improvements thereon that individually exceed $500 are capitalized at cost. Depreciation is recorded using the straight-line method over the estimated useful lives or the remaining lease term. Repairs and maintenance are charged to expense as incurred.

Grants, Contributions and Revenue Recognition:
Revenue from contributions and grants are recognized in the period the grant is awarded, if unconditional, or when the grant conditions are met, if conditional. Revenue from contributions and grants is recorded as either without donor restrictions or with donor restrictions, depending on the existence and/or nature of any restrictions by the donor. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with restrictions are reclassified to net assets without restrictions and reported in the Statements of Activities as net assets released from restrictions.

Revenue from Contracts with Customers:
Support from unconditional contributions and grants are recognized when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Support from conditional contributions and grants, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Income from memberships and other public support are recognized when performance obligations have been satisfied for promised products or services to customers in an amount that reflects the consideration the Organization expects to receive in exchange for those products or services. Performance obligations are determined based on the nature of the products or services by the Organization and are measured to the point where it is no longer required to provide products or services to the customer.

Note 2 – Summary of Significant Accounting Policies (Continued)

Use of Estimates:
Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets, liabilities, revenue and expenses. Actual results could differ from those estimates.

Functional Allocation of Expenses:
Coming Clean, Inc.'s methodology for allocating expenses among program, administrative and general, and fundraising is a mix of specific identification and allocations based on hours reported by staff. The staff hours reported are used to allocate individual salary fees and related expenses among the various categories. Certain other employee related expenses that are less easily assigned by individual contributor are assigned to categories in proportion to the above-described results. All other expenses are assigned specifically to one or more categories based on the underlying purpose of the expense.

Income Taxes:
The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state statutes. The Organization is not classified as a private foundation.

Management has analyzed its various federal and state income tax filings for the last three preceding years that remain open within the statute of limitations and they believe that the Organization's reported revenues and deductions are well documented and supported, and that no controversial or questionable income tax reporting positions have been taken regarding these filings. Consequently, management believes that there are no unasserted tax liabilities, interest or penalties related to these filings and, accordingly, has made no provision for contingent income tax liabilities.

Advertising:
The Organization expenses the cost of advertising as incurred.

Note 3 – Liquidity and Availability of Funds

During the year ended December 31, 2025, the Organization has approximately $2,150,000 of financial assets available within one year of the statement of financial position date consisting of cash in the amount of $2,148,694 and contributions and grants receivable totaling $1,422. The Organization has a goal to maintain financial assets, which consist of cash on hand, to meet 60 days of normal operating expenses, which are, on average, approximately $446,000.

During the year ended December 31, 2024, the Organization has approximately $2,351,000 of financial assets available within one year of the statement of financial position date consisting of cash in the amount of $2,351,029 and contributions and grants receivable totaling $281. The Organization has a goal to maintain financial assets, which consist of cash on hand, to meet 60 days of normal operating expenses, which are, on average, approximately $480,000.

The cash needs of the Organization are expected to be met with the use receipts from grants, contract and member support and contributions.

Note 4 – Cash

As of December 31, 2025, the Organization maintained its cash at three financial institutions. At times, amounts on deposit may temporarily exceed the Federal Deposit Insurance Corporation limits. As of December 31, 2025 and 2024, the Organization had approximately $2,184,669 and $2,427,841 respectively, of uninsured cash on deposit.

Note 5 – Net Assets with Donor Restrictions

Net assets with expiring donor restrictions were released from restrictions, as follows, for the year ended December 31:

	2025	2024
Programmatic restrictions	$ 348,173	$ 617,917
Environmental Justice Health Alliance for Chemical Policy Reform	434,042	583,427
Subrecipient grants	270,701	224,876
	$ 1,052,916	$ 1,426,220

Note 5 – Net Assets with Donor Restrictions (Continued)

Net assets with donor restrictions are available, as follows, for the year ended December 31:

	2025	2024
Programmatic restrictions	$ 25,000	$ 151,173
Environmental Justice Health Alliance for Chemical Policy Reform	542,250	374,022
Subrecipient grants	128,000	248,701
	$ 695,250	$ 773,896

Note 6 – Partner Grants and Expense Reimbursements

Partner grants and expense reimbursements consist of the following at December 31:

	2025	2024
Partner grants	$ 4,295	$ 5,684
Other	1,500	114
	$ 5,795	$ 5,798

Note 7 – Office Lease

The Organization leases office space in Brattleboro, Vermont, under a month-to-month operating lease. The lease term is 12 months or less and is considered a short-term lease. Therefore, ASC 842, *Leases* does not apply. Rent expense for the years ended December 31, 2025 and 2024 was $9,847 and $7,854, respectively.

Note 8 – Defined Contribution Plan

The Organization has a defined contribution plan covering substantially all employees. The plan falls under the guidelines of the Internal Revenue Code Section as a 403(b) plan. Employer contributions to the plan for the years ended December 31, 2025 and 2024 were $28,083 and $29,618, respectively.

Note 9 – Related Party Transactions

Included in professional services on the Statement of Functional Expenses for the years ended December 31, 2025, and 2024, were consulting services in the amounts of $-0- and $10,000, respectively, paid to one vendor that employs a member of the Board of Directors of the Organization.

Note 10 – Subsequent Events

Subsequent events were evaluated through September 2, 2026, the date the financial statements were available to be issued. There were no subsequent events requiring disclosure.
